Re: PA Fall Sale

Dear Fellow Breeders:

We are now taking consignments for the 2017 PA Fall Classic to be held at Greene Co Fairgrounds, Waynesburg, PA. The sale will be on Saturday, October 28th, 2017. Enclosed is a nomination form. Make copies as needed or email the information and send a check in the mail for nominations. We would like to have our catalog available in plenty of time for buyers to browse the offering. So please stick to the deadlines. This year we will be sending out a proof of the lots for owners to proofread the information before sending it to print. Again, the deadlines are necessary to be able to get the catalogs out on time.

We are looking for purebred or percentage open females, bred heifers and cows, cow/calf pairs, and elite ET packages or pregnancies, herd bull prospects and a few Sim-Influenced steers. It is best that animals are halter broke - both for the buyers and the consigners, but pens are available and animals can get to the sale ring with gates on sale day.

Also, Dalton Lundy will serve as a consultant at the sale again this year.

Also, all sale animals must meet PSA requirements that are attached. Some animals will need to be DNA tested to be cleared to sell. Please plan ahead. Sometimes this is a very long process, but will need completed prior to sale in order to be eligible to sell.

The schedule...

- **Consignments due Aug 30th. Please send nominations and nomination fee on time to ensure consignment and to avoid added costs.**
Nomination fee = \$50.00 per consignment. If nomination fee is not sent, a \$50 charge will be deducted from the payment of the sale. Nomination information can be emailed or mailed and the fee mailed.
- **Make checks payable to Classic Sales.**
Send nomination form and fee to: Classic Sales, 50 Endeavor Ln, Fairmont, WV 26554 or email info to ClassicSim@aol.com and send fee in the mail. Catalog pictures are also due Aug. 30th.
Catalog pictures are an important tool in marketing your animals. Remember - a poor quality picture can do as much harm as a good picture can do good. Only catalog quality pictures will be published. Pictures can be sent via email or in the mail. We need photos sent on time to be able to use them in ads and flyers.
- **Please send any good quality videos of your lots to Annie Duncan at**
- **Any potential buyer** that you would like to have put on our catalog mailing list should be sent or emailed, along with their address.
- **Videos can be uploaded and linked to the sale info if you happened to get some good quality videos of your lots. Contact us or Annie Duncan about getting these up and running.**
- **Also, hotels are usually scarce due to contractors using several rooms in hotels. The hotels in Waynesburg are EconoLodge - (724) 627-5544, Microtel - 724-627-0310, Comfort Inn (724) 627-3700, Hampton Inn 724-802-1010, and Super 8 724-627-8880. Call soon!**

Thank You, Chris Brown
