Friday, March 28, 2014 at 2:00PM
At the PA Livestock Evaluation Center
Pennsylvania Furnace, PA

2014 PA Beef Expo *Simmental Sale*

Welcome breeders,

We are selling a great set of females at the 2014 PA Beef Expo Simmental Sale. This is the strongest group from beginning to end that we have ever sold here. Several of these lots have full sibs that have topped many sales and shows across the country. The breeders have used the most popular genetics and showed a focus on power and performance. The open heifer category has young fall heifers through yearling falls, black and red, brood cow or show heifer.

Whatever you are looking for – your selection is wide. The genetic lots have proven progeny in the field and numbers that are right on target. The bred and cow calf division is just as strong. The females are bred to our industry's best and most in demand. If you have any questions please feel free to call myself, John Spiker, or the consigners. I look forward to seeing you at the sale.

Sincerely, Chris Brown

Terms and Conditions

Cash or check day of sale with proper ID. Animals will be sold in accordance with the suggested ASA guidelines. Up to date breeding and calving information will be supplied the day of the sale. Any information announced day of the sale will take precedence over the catalog. All cattle are vaccinated and tested for interstate shipment. Online bidding: Purchasing online constitutes a legal contract and promise for payment. All purchases must be paid within seven days of sale date and prior to load out or delivery. Buyers must have a credit/debit card on file with www.cowbuyer.com prior to sale. Cowbuyer LLC is a service provider not responsible for the activity of any technology, internet connection at the sale site or of the bidders.

Announcements

Announcements made sale day and from the auction block take precedence over printed material associated with this sale. Anyone attending the sale attends at his or her own risk, consignors or Classic Sales will not be responsible for any personal injury or loss while attending the sale.

You can't go wrong with Combustible embryos out of this sound Navigator x Network daughter. If her pedigree alone isn't enough to spark your interest, take a look at her history. She was ninth overall percentage heifer at the 2012 AJSA National Classic in Lima, OH as an October calf, and placed eighth overall percentage last summer at the 2013 Eastern Regional. We believe that her mating with Combustible will add power and bone mass, combined with her structural soundness and depth of rib these calves are sure to be jaw dropping. Don't miss out on this opportunity! Offering a package of 3 embryos, guaranteeing 1 pregnancy if work is done by a certified tech.

These embryos should produce some outstanding calves. Our lead donor, Headliners Fancy, has been a consistent producer of high quality progeny. Her calves have been sale topper in PA and NC. She averaged 30+ usable embryos in each of her last 5 flushes. Broker was named Grand Champion bull at the American Royal, NAILE, and NWSS. His combination of bone, mass, foot, and soundness makes this mating one that could make your outfit some dollars! Offering a package of 3 embryos, guaranteeing 1 pregnancy if work is done by a certified tech.

TRIPLE C LOOKING LOVELY

Due 9/20/14. Recip Cow: JM Bexerly T5 (PB Simm) ASA # 2390112.
Her 2012 bull calf was the second high selling bull at the 2013 PA Fall Sale and her 2013 ET heifer is lot 6, BV Black Ruby.

Here's an exciting opportunity to purchase a pregnancy that combines genetics from Miley Cottontail's dam, HC Hummer, Powerdrive, and Dream On. Ring of Fire exhibits the phenotype and power to produce a winner. JM X1 That's Right is a maternal sib to Cottontail. He is a blaze-faced new AI bull from Sunset View and is homo-black and polled. This calf will be black and a maternal sib to the open heifer BV Fired Up in this sale.

This ET Black Ruby heifer has 'the look' as well as exceptional performance. She's feminine and moderate and comes from a great cow family that produced the 2011 Ohio State Fair Grand Champion, SVS Starlight. Ruby's in the top 1% of the breed for milk and 10% for maternal weaning weight. A maternal sibling was purchased for \$3500. She was raised by the recip in the lot 3 pregnancy. She'll make a great show prospect and even better cow.

AI bred 12-8-13 to GWS Ebony's Trademark (ASA# 2231696). This bred heifer due to calve September 18th is bred to Trademark. Backed by the late SS Goldmine LY2, this black, well designed female will mature into a great cow for years to come. She will be a great addition to anyone's breeding program. Nice disposition. Safe in calf.

				TI 59.

Breeding information will be available sale day. Lucky Me is an outstanding cow. At the PA Bull Tests in 2012 and in 2013 her Ranch Hand and Hummer bulls averaged: CE 10.4, WW 716, YW 1313, ADG 4.32, IMF 2.89%, Loin Eye 16.5, Scrotal 40, and \$2900. She is deeply ribbed, long bodied, the easy keeping kind, and a good momma that has plenty of milk. Were Larry not selling his farm and getting out of the Simmental business, Lucky Me would not be for sale. She offers a lot of mating opportunities and is an outcross to most of the popular sires being used. She is a sure thing! She will be bred to the "Ollie" bull before the Sale.

27A. Due by sale date. Bred 5-20-13 to SVF/NJC Built Right (ASA #2225381) Spotlite is a well-grown big bodied bred heifer that will sell with a calf at side by Built Right. Her dam HEB BJ Nancy was high selling bred at the 2006 PA Beef Expo from Harvey Baskin out of his Shear Delight cow he got at Denver. Spotlite's maternal sister, SASA Built R Taffy 32Y was Reserve Div at the 2012 KILE Open Show. And Taffy's Upgrade calf just won her April calf class at the 2014 PA Farm Show. Spotlite will be a nice addition to anyone's herd.

28A. Due March 10 to Upgrade. Z3 is from a flush of Benners Miss Freedom and In Dew Time. Z3 (Dorrie) has been shown for two years and is now due March 10 with an Upgrade calf that will be by her side at the sale. As a calf she was division champion at PA Farm Show Junior Show. Miss Freedom (Peaches) was Farm Show Reserve Grand Champion as a bred, and KILE Grand Champion Cow/Calf pair with her first calf. In Dew Time added femininity to Freedom's mass and muscle. Z3 has an excellent udder, strong feet and legs, and extension with plenty of capacity. We've shown and sold two females from this flush with success, and have two more at home.

30A. D & A Olive heifer calf born 9-13-13 (ASA #2767530) out of SVF Star Power S802. Cow AI bred back 12-18-13 to SVF Allegiance Y802.

Shining Star is a deep bodied, correct, blaze-faced female that is a consistent, no frills producer that will get the job done year in and year out. Pay attention to her 2013 heifer calf that will sell - proof of what she can do for you. Her heifer calf Olive is an attractive, solid black heifer that has depth of body and thickness of top. This female is sure to follow in her mother's footsteps with consistency and productivity. Take a look sale day.

Support PJSA and AJSA member Alyssa Angelo and the 2014 4Diamonds Preview Show

For her senior project in high school, Alyssa is holding a preview show June 27-28 at the Crawford County Fairgrounds in Meadville, PA. There will be t-shirts, awards, opportunities to get your show heifers and steers experience in the ring and to get to know other juniors. The 4Diamonds Preview Show is open to all 4-H and FFA members in PA, and all breeds are encouraged to enter.

On Friday evening, cattle will check in, and there will be a showmanship demonstration, fitting demonstration, and exhibitor dinner followed by a dance. Saturday check in will continue, then there will be junior and adult showmanship followed by the heifer and steer shows.

Alyssa is looking for sponsors, donations, volunteers, and entries!

For more information and to enter or get involved, visit the 4Diamonds Facebook page or contact Alyssa at 814-573-5304 or alangelo@psdmail.org.

Pick of 2014 Calf Crop

Offering the opportunity to have your choice of the 2014 Frosty Springs calf crop. We wanted to offer our best, and what better way than to give you the freedom to pick the one you like best to take home. We began raising Simmentals in 1985 and we have had great success in the PA Fall Sale and Beef Expo and consistently produce show ring quality and donor females and our bulls are high growth, easy calvers that are sure to add the pounds to your calves while maintaining a complete package. We have purchased replacement females that were sale toppers in the PA Fall Sale and spring Beef Expo and we also have several animals that are SilverTowne genetics both on the sire side and the dam's. This year we have used STF Distinctive W739, STF Maverick YU29, FSF Showman 8ZCO and AI sires STF Quigley XUM4 and STF Mr. 19LZ. We will have 55-60 black and red calves that range from 1/2 blood Red Angus/Simmental to purebred Simmental. If you choose a heifer calf that is for a junior exhibitor, we will halter break her for the fall. Choice must be made by Aug 1st. Pick up is between Sept 1st and the PA Fall Classic at the end of October. Half of payment is due at purchase and remaining balance is due when the calf is picked up.

AI bred 11-28-13 to GW Premium Beef 021 TS (ASA# 2370545) Isabella is a moderate framed, deep bodied, correct young female with a bright future ahead. Backed by a productive line of females, Isabella is hard to part with, but Sara was willing to give up one of her best for the sale. She was just named 2014 PA Farm Show Junior Show Senior Calf Champion. Bred to calving ease curve bender, GW Premium Beef, she's ready to work for you.
