2014 Pennsylvania Fall Classic Simmental Sale

Saturday OCTOBER 25 *at 1 PM*

AT THE GREENE CO FAIRGROUNDS, WAYNESBURG PA

Welcome to the 2014 PA Fall Classic Simmental Sale.

Being one of the longest running consignment sales in the east would not be possible without the support from a great group of consigners and buyers that have contributed to the sale for many years. We have some new consigners, some veterans, and some that have purchased from the sale in the past and have decided to bring some to offer this year. We are very excited for buyers to take a look at the offering. We have in demand genetics, up and coming service sires, and functional cattle. We have embryo lots that will make great progeny from half bloods to purebreds. The opens can perform in a show ring and will be functional cows to build a herd on, whether it be purebred, percentage, or club calf. The breds are bred to some of the industry's leading or up and coming bulls – Simmental, SimAngus, & Angus. Some of our strong set of bulls are ready to put to work now and the rest will be worth the wait to service in the spring. I think you will find what you are looking for in the 2014 Fall Sale offering and if you would have any questions please feel free to contact myself, John Spiker, or any of the consigners. I look forward to seeing you at the sale.

Sincerely,
Chris Brown

Health
All cattle will be vaccinated and tested for interstate shipment.

Terms and Conditions
Cash or check day of sale with proper ID. Animals will be sold in accordance with the suggested guidelines of the American Simmental Association. Up to date breeding and calving information will be supplied the day of the sale. Any information announced the day of the sale will take precedence over the catalog.

Announcements
Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending the sale attends at his or her own risk, consignors or Classic Sales will not be responsible for any personal injury or loss while attending the sale.

Sale Registration and Payment
All buyer numbers will only be issued with a valid ID and payment is due day of sale. Cattle will not be transferred until paid in full. Checks and cash accepted.

Sexed Heifer Semen
Sexed semen is not 100% accurate, therefore consignors can not guarantee gender of resulting calves.

Note
The EPDs reported in this catalog are the Fall 2013 numbers, as reported by the American Simmental Association. Please reference Simmental.org for an explanation of the EPD changes.

A. Heifer Calf, HEB Eastern Dream, born 8-5-14 out of CNS Dream On L186. Puff Girl is a Powerdrive daughter that sells with a Dream On heifer calf. I am donating this pair with all money to be used by the Southern New England Simmental Association for the Eastern Regional Classic to be held in Springfield, MA in June 2015. Classic Sales, Chris and Kellee Brown, will be donating commission on this lot as well. This is a top Powerdrive cow with a great Dream On heifer at side. Bid last and help the kids.

The Burn It Up bloodline is genetics that have proven to be successful. Burn Right was successful in the show ring and the donor role. She was Reserve Grand Champion Female at the 2009 National Western and is still one of the most popular Built Right daughters in production. This is a great offering with these exciting sires. HOC Broker is possibly the most exciting bull in the breed. His sons and daughters have been dominating show and sale rings coast to coast. One Eyed Jack is a very popular new baldy with cutting edge genetics and pedigree. Final Answer has proven Angus genetics to make the popular SimAngus genetics that are in demand today. And Lock-N-Load has been very successful in the Lazy H program creating purple ribbons and high-sellers. Don't miss a great opportunity. Guaranteeing respective embryos if done by a certified embryologist.

Three CRUM Invaded Grace X HOC Broker embryos. Invaded Grace is a real tank. She is clean-fronted. One of her offspring (#386A) is in this sale. She and her mother (BV Graces Dream) are the backbone of our donor/flush program, and no matter what we breed them to, they produce wide fleshy classy calves. Their calves out of HOC Broker are the top of the herd. Don't pass this opportunity to get some Hoc Broker out of a top donor. Embryos and certification pick up at sale. Guaranteeing 1 pregnancy if performed by a certified embryologist.

Lazy H Last Chance was one of the high-selling opens at the 2011 Lazy H Game Day Sale. She had an outstanding show career being named 5th overall at the 2012 Junior Nationals, Res Champion at the OH State Fair and Division Champion at Sweepstakes. Top Grade has become the top Upgrade son producing outstanding bulls and heifers both phenotypically and on paper. Step Up is showing why he is one of the top young sires by producing numerous show winners and sale toppers in the past year. Don't miss your 'chance' to be in on these exciting genetics!

This special Wildfire Dream female has the look and genetics to take your herd to a higher level. She is super sound and has a puppy dog personality. Her dam is a full sister to S&S Sahara who was Grand Champion at the NAILE, KILE, Eastern Nationals and the WV State Fair. Her sire's side, SVJ Wildfire, just keeps producing the cattle that can excel in the show ring and the pasture. This year's OH State Fair Grand Champion female and the Denver 2013 Reserve Champion female were sired by him.

This heifer is a great example of why breeding Simmental percentage cattle is so rewarding. America is a beautifully made, super sound SimAngus heifer with a great disposition. She is sleek-fronted with style and presence that'll make her lots of fun to show. Check out her EPDs and API. Juniors, remember that Eastern Regionals will be held in West Springfield, MA in 2015, and PVSM American Made will be the perfect age to show there with you!

This bald faced female is very similarly bred to the Stars and Stripes sale topper last year for $14,000 to the Carters in NC. Her grandmother is our "Beauty" donor that continues to impress us. If you are in the market for a bald faced female to show and then be a sure thing to make a tremendous momma cow then don't miss, Miss Bonita!!!

Daytona is from the top of my show string. She was champion Simmental this spring at The Big East show in Springfield, MA., which was only the start of what this heifer is capable of. She is massive in her make up, tons of rib and overall body and as thick as could be. She stands on flawless bone structure with a stunning front end. Daytona stems from a super impressive Dream On granddam. This one is capable of doing some special things in and out of the ring. Juniors, Simmental breeders and clubby guys- she has it all. With Miss Daytona the race is on to the backdrop...don't miss your chance to get in the picture! Seller retains the right to one flush at the buyer's convenience.

Due 1-6-15 to NLC Upgrade sexed heifer semen. This is a Navigator daughter out of the HPF Love Me U182 cow that we purchased in 2009. Her dam was a division winner at NAILE and the 2009 National Classic as well as a champion at numerous state fair and jackpot shows. Love Me Again followed in her dam's footsteps and already has several championships including Jr. Simmental Reserve Champion and Open Simmental Reserve Champion at the Maryland State Fair. She comes from the great NJC SVF Love Me Don't U donor that is a Joker/Ebony Antoinette daughter described by Hudson Pines and ETR as one of the most productive and consistent donors they ever owned. Love Me Again is an easy keeper with an easy-going attitude that would make an excellent addition to your breeding program. We were hesitant to let this female go, however, we feel she will quickly make a name for herself just like her dam. This is a package you won't want to pass up.

AI Bred to MCM Top Grade (ASA# 2540315) on 5-16-14. BV Princess has a cow family and genetics that are as predictable as we can produce. Her dam is a daughter of VPI's main donor. Her sire, The Foreman, has added muscle and dimension in a sound structural, moderate framed, attractive package. We have never raised a heifer with such a bold spring of rib. Her calf out of Top Grade will be impressive.

Due 3-30-15 to SSC Hatfield 220z (2648595). Jewel has done an excellent job with her first two calves. Here is a young cow that you can take home and let her make money for you. She stems back to the most consistent cow family that we have. She calved late this year so we put her right with the bull to get her backed up and don't let that bother you - she had a heifer this year out of Hatfield that is no slouch and is in the keeper pen.

Due April 24, 2015 to GCF Mr. Amigo (ASA# 2360021). This broody red cow is safe in calf to past National Champion, Mr. Amigo. Due April 24th. He has outstanding body capacity, base, width, muscularity and balance that compliment Abigail very well. Our deep bodied, moderate framed, maternal red cow is ready to raise a calf again. Her quiet and gentle disposition is sure to make her a good addition to anyone's herd. BQA Certified herd.

Due February 2015 to Black Star x Steel Force. Possibly the best breeding program in the Simmental breed was Triple C Farm headed by Roger Allen. Their Power Drive genetics have held up over the years. We were fortunate enough to breed several of these special females. Our offering brings D&D Slam Dunk and Power Drive into a most unique package. We bred D&D Slam Dunk and S&S Sahara's mom in the same year. We sold Sahara's mom in the PA Sale and kept the Slam Dunk cow. This tells you what we think of her power. She is bred to our Black Star Steel Force baldy bull who was Reserve Bull Calf Champion in Denver.

Lot A: Bull Calf, SMV Lightning, born 6-3-14 out of KS Sundance Kid (2353900). AI bred 8-30-14 to Mr. NLC Upgrade (2474338). 3-in-1 package. Sweet is a cow that's hard for us to let go. She has yet to have a calf that has disappointed. She's big boned and has the best udder on the farm. Sweety's pedigree is rare to find and hard to pass up. She sells with a stout bull calf at side who should go on to make a fine breeding piece. He is sired by Sundance Kid.

This Lizzie X Wildfire bull calf is another look at the great Wildfire genetics. He has the soggy look that Dave Stough loved when he was doing the early PA Fall Sales. He has the softness and great front end and very sound in one package. The best advice comes from Col. John Spiker, "buy them when you can find them!" The hardest part is finding them. Send your old bull to town and buy the next great one!

The Banker is an extremely versatile herd sire prospect. We wanted to bring a good one for our first year and here he is. Extra sound, big footed, deep made, and smooth can sum up The Banker. With a 74 pound birth weight, we feel he can not only be an excellent show prospect, but a bull to add pounds, growth, and eye appeal to his calf crop. His dam was our pick of the 2013 Foundation Female Sale, which only solidifies his ability to be an excellent herd sire. With Broker semen being so expensive, jump on board with his performance packed son.

Choppin' is a grand son of the great Zeis Miss Drive N423 and out of the popular Chopper bull. He comes to you with extra thickness, excellent rib structure an awesome hip and just a great look. He is standing on tree trunk legs with a perfect pastern set and is flawlessly soft and elegant on the move. Loads of potential as a show bull and as a herd sire down the road. Stout enough throughout with extra bone for the clubbys, a pounds-heavy meat machine for the commercial breeder, stylish, correct, soft and sound for all! Seller retains a 1/3rd semen interest.
