Due 4/27/15 to SVF/NJC Built Right N48. American Sweetheart's maternal sister was Grand Champion female at the 2012 PA Farm Show. A heifer from the same cow family was a high seller at \$9300 in last years Stars and Stripes sale to Ste-Wan Farms. Another was the steal of the sale in this past fall sale to the Winslow and Huff families who went on to be Senior Heifer Calf Champion at the 2015 PA Farm Show. Quality is consistent in this cow family and being sired by the popular JF American Pride will even add to it. Sweetheart is within 30 days after the sale to the immortal and now deceased Built Right. She will be in perfect flesh to go home, lie down and calve and make a very wise investment.

She is eye-appealing-- black baldy with lots of chrome, and has a great disposition. But her greatest value will be the maternal traits that she inherits from her dam, Cherokee Rose. Cherokee has sold heifers and bulls into 4 states, including the \$10,000 PVSM Pocahontas, purchased by the Whipkey family. If you are looking for a show heifer or a heifer to add to your herd, Polar Vortex will work for you.
