Health

All cattle will be vaccinated and tested for interstate shipment.

Terms and Conditions

Cash or check day of sale with proper ID. Animals will be sold in accordance with the suggested guidelines of the American Simmental Association. Up to date breeding and calving information will be supplied the day of the sale.

Announcements

Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending the sale attends at his or her own risk, consignors or Classic Sales will not be responsible for any personal injury or loss while attending the sale.

Sale Registration and Payment

All buyer numbers will only be issued with a valid ID and payment is due day of sale. Cattle will not be transferred until paid in full. Checks and cash accepted.

Sexed Heifer Semen

Sexed semen is not 100% accurate, therefore consignors can not guarantee gender of resulting calves.

Bid online at **www.cowbuyer.com**

LIVE INTERNET BIDDING:

- View/bid online in Real Time.
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyer.com.
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases.

All purchases must be paid within seven (7) days of sale date and prior to load out or delivery of cattle purchased. New Buyers must have a credit/debit card on file with www.cowbuyer.com prior to sale. Cowbuyer LLC is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

HPF/RYAN PERFECTION Z153
CNS PERFECTION R521

TNT TOP GUN R244
JF MILESTONE 999W
MS MAXIE LOU M112S

Perfection is a cow that will impress you when you see her in person; low to the ground, easy keeping, an exceptional disposition, with a great deal of eye appeal. She is the kind you would like to have a pasture full of. Perfection's background of proven genetics demonstrates that she is out of one of the best red cows in the breed. The soundness, hair quality, and stunning look that she transmits to her offspring make them easy to market. We are excited to offer this set of three embryos.. Take advantage of this opportunity to add an excellent set of elite genetics to your breeding program.

TNT TOP GUN R244
JF MILESTONE 999W
MS MAXIE LOU M112S

HPF Miss D Rae Y042 was our pick in the HPF – Living Legacy VII Sale. Y042's pedigree combines the Perfection R521 and Desa Rae cow families into a powerfully built, yet feminine fronted donor cow. To date, Y042 has produced several top quality females. A flush to WS Step Up produced several top quality heifer calves born this spring that we have been showing this summer. Her first natural calf, SNRS Miss Anabelle Rae was named Supreme Champion Simmental Female at the 2014 NY State Fair, as well as Reserve in her division at the 2014 KILE Show as a yearling heifer. These embryos by Milestone will be full sibs to Anabelle Rae.

Pregnancy.....

4. BEAUTY HEIFER PREGNANCIES

Choice of four heifer calf pregnancies

SVF/NJC BUILT RIGHT N48
MF MISS BUILT RIGHT U553
 MF MISS CROSSFIRE R253

BEAUTY DAUGHTER

MF MISS BUILT RIGHT "BEAUTY"

4A. x MR NLC UPGRADE U8676

4C. x SANDEEN UPPER CLASS

4B. x W/C BF INNOCENT MAN

4D. x CCR SANTA FE 9349Z

Genetic opportunities like this only come along once in a lifetime. MF Miss Built Right U553 "Beauty" as we refer to her is our lead donor who has rightfully earned her spot there. Some of Beauty's great accomplishments are: Calf Champion and Reserve Grand Champion at the PA State Farm Show, Grand Champion Female at Eastern Nationals, Reserve Grand Champion cow/calf pair at Jr National, Grand Champion cow/calf pair at Maryland State fair and the list goes on and on. Beauty was and continues to be a tremendous female and now on top of that she has become an exceptional producer. With daughters being named Grand Champion Female (at only 6 months of age) at the Maryland State Fair, Calf Champion at KILE, Calf Champion at Farm Show, Reserve Grand Champion Female at the PA Farm Show and on top of that they have topped every sale they have been at, averaging over \$7000. The sires that these pregnancies are sired by are either tested and proven with calves on the ground or they are some of the Hottest young sires the Simmental breed has to offer. No matter which mating you choose you will be hitting a homerun and quite possibly a Grand Slam. Some of the recip's at registered purebred cows and some are commercial. All are proven to be excellent mothers and milk well. We feel that Beauty took a pretty good picture but the breeders that have stopped by to see her say that she is even better than her picture. These pregnancies will help your program lead the pack so that you are not getting lost in the dust.

Juniors pay attention! Show heifer deluxe! This star headed heifer is clean fronted, thick made, big bellied, super attractive, and has a great disposition. Combustible is producing some great ones, and this is no exception. This heifer is the result of an embryo purchase from Wayward Hill Farms in Kentucky from one of their exciting new donors in which they describe as a "FREAK". Wayward Hill can be remembered for raising the 2014 NWSS Champion Simmental heifer in Denver. She's for destined for the backdrop. Be sure to check out her video!

BeDazzled is a heifer that we really thought long and hard before selling. She is the first heifer out of one of our best young cows, Razzle Dazzle. BeDazzled has as much center of body and spring of rib as I have ever seen in a heifer at her age. She's moderate framed, square and would be an excellent show heifer. She has had many friends with the people that have seen her and I believe she will have even more come sale day. Whether you are looking for a show heifer or excellent brood cow prospect you will want to look BeDazzled up on sale day.

Chardonnay's dam, Annabelle Rae, was Supreme Champion Simmental Female at the 2014 NY State Fair and Reserve in her division at the 2014 KILE Show. This SimAngus show heifer prospect combines a striking profile with a balanced set of EPDs. She is a long-bodied, deep ribbed, feminine fronted female that is sound from the ground up. Being quiet natured, she'd work well with a younger Junior on the halter. BVD-PI Negative.

Beautifully designed November fall heifer calf that will be a lot of fun to show next year as a senior yearling and highly competitive as well. This Upgrade daughter is out of a Dream On dam who is truly a cornerstone of our herd. This cow family has produced high sellers at both of the last 2 Fall Classic Sales. This one is the next in line. Can't wait to see her as a bred heifer and a cow prospect – she should be special.

Magna Grade 445B is the thickest calf we have raised. View her from the end and see what a wide table her back forms. She is stylist, square, clean and solid footed – as are all her Upgrade X Invaded Grace embryo mates. She would show well and her calving-ease, growth and all-purpose indexes show that she is one of those rare ones that would be at home in either a brood- or club-calf herd.

Here's a great 3/4 SimAngus heifer. Rockie was first in her class of commercial heifers in a tough division at our regional fair. Her full sister was shown by the Brown's this summer and was first in her class at the AJSA Eastern Regional in MA. We really like our Dual Focus females. B31 is a high performance heifer with a straight top and a deep rib. Look her up on sale day.

This is one of those heifers you want to keep for yourself, but we wanted to bring our best to the Fall Classic. Jail Break is extremely soft and broody through the middle 1/3 of her body, yet angular and feminine. She is an exciting show heifer prospect for the fall yearling division. Go show her and then rake in the profits when you put this one into production. She's an outcross to most Dream On bloodlines and is in the top 20% of the breed for milk. Be sure to check out her video!

AI Bred 08 /17/2015 to WLE Uno Mas X549 (2532016) sexed heifer semen. AAS Believe It Or Not is a royally bred, maternally designed female that would be a major asset to any serious breeder. She is the granddaughter of the great Breath Taker donor, who was Grand Champion Female at the American Royal, North American, and Denver, making her a Triple Crown winner in the Simmental breed. This heifer comes from two tremendous cow families with show ring appeal, power and dynamic phenotype. We showed her dam who remains in our breeding program today, AAS Beyond Belief ASA# 2570912, with success in both the open and junior programs. Don't miss out on this unprecedented opportunity to purchase Triple Crown genetics. This is your opportunity to acquire a top notch bred heifer with a gentle disposition that could be your next donor.

AI Bred 8/4/2015 to Shocking Dream (2335795). Arkpride comes from a tremendous cow family with a lot of power behind her pedigree. Her grand-dam, P48's show record include 2006-2007 ROV Show Heifer of the Year and National Champion female 2007 NWSS. She was the closest Angus heifer ever to win the Jr Angus Triple crown as she got reserve champion at the National Jr Angus show and won the other major shows. We showed Arkpride's dam as an open heifer with much success and then brought her home to produce some excellent offspring. This female has plenty of power, muscle and phenotype and is an easy keeper. Take advantage of adding these powerful genetics to your herd.

Bred 5/25 to UNO MAS. PE 6/25 -9/1 to IRCC ALL RIGHT 326A, Red Blaze Built Right son. Here is the First "Burnin' Fatt" calf to hit the ground and what a start! Sired by the 2014 Ohio St. Fair Champion PB Sim Bull and 2013 Fall Classic High Seller now owned by SVJ. Here's a Half Blood out of an excellent BC Lookout daughter who has tremendous quality and an excellent udder. "Burnie" has been shown successfully all over the north east being Champion % Sim at the very tough BIG EAST show in Springfield, MA this past May and also was 6th overall % at the 2015 Eastern Regionals. She possesses a tremendous amount of rib and shape, is flawless in her design, sound as they get, and absolutely stunning from a side profile. Don't miss a great one with tons of earning potential.

Due 10/15 to GCF First Dream. Chipper is an excellent black blazed face cow prospect. She is sired by Chopper and out of a whale of a Remington cow that milks hard and weans one of my heaviest calves every year. One that we showed a bit and was tough to get around. Chipper is extra-long and clean up front with loads of capacity and base width throughout. Chipper is going to make top cow and with a great blaze face and is going to throw some high end show calves. Be sure to look for her and her young calf come sale day!

AI Bred 6-18-15 to JF American Pride 0987X (2573743). Here is a mature dark red bred heifer with length and good EPDs. Sundance Kid is one of my favorite brood-cow sires for producing top milkers weaning over-weight calves. She is bred to showy JF American Pride for a later March calf. That should be a great combination of style, length and width.

Due 1-18-16 to WS Revival. Up and Coming is a female that I think is just that, up and coming and going to make a Great brood cow/Donor prospect. Her mother is one of our best cows. Her flushmate commanded \$9300 at the 2014 Stars and Stripes sale and sold to SteWan Farms of Middleburg, PA. The only difference between the full sisters is that Up and Coming is solid black and her sister is a baldy. If you're looking for a baldy, her calf will likely be that. This will be one of the first calves to hit the ground from WS Revival, the record setting \$140,000 bull from Denver 2015. This is a no miss opportunity!

AI Bred 04/09/2015 WLE Uno Mas X549 (2532016) sexed heifer semen. L24, Cottontail's dam, produced a daughter famously known as KenCo Miley Cottontail, one of the hottest donors in the Simmental breed! Miley Cottontail had a successful show career and sold for \$33,000 at the North American Sale. We decided to offer up this daughter with superior genetics. Here is a chance to acquire a piece of the puzzle. This mating will surely produce a nice calf with a lot of potential due in January 2016.

Due 1-18-16 to WS Revival. Priceless comes from a mating that has worked for us in the past and continues to work. Trademark on top of a Meyer 734 cow. This female is super pretty fronted and long bodied. She will work for you regardless of whether you are trying to produce top quality purebred cattle or those high dollar show steers. Priceless is bred to the hottest young purebred Simmental bull on the market, WS Revival. He sold for \$140,000 in Denver this past January. I was lucky enough to get my hands on some of the first semen on the market and am offering you the opportunity to have one of the first Revival calves on the ground. The resulting calf could make you famous and pay for the heifer.

PE 6-1-15 to 8-1-15 to SMV Fireball (2613575). Deciding to downsize is one of the hardest decisions to make. The next hardest is picking who to let go of. Breezy, as we call her, has one of our most productive cows. She has terrific structure and a great udder. Her only flaw is that she produced a daughter that is as good as she is. She is from the great Ladybug Farm program so longevity is bred into her. Don't pass on this cow.

Burnin' Hot is another Great Calf sired by the Burnin' Fatt bull. A great herd bull prospect that I have been using on some percentage heifers this summer. He is great thru his front one third and so good thru his head and neck he is going to sire some very attractive calves. Just an August, he is weighing 1400 right now and has been out on grass and heifers all summer. Very long sided, great fore rib, tremendous amount of style and eye appeal while standing on ideal bone, feet and legs. Phenotypically great and sound! A 3/4 blood that can be used on anything to sire attractive, high quality, highly valuable calves. Knows how to go to work and ready to be put on your fall calving cows today.
