## DESIGN

Catalog by Mollee Brown

## SALE REGISTRATION AND PAYMENT

All buyer numbers will be issued with a valid ID. Payment is due day of sale. Cattle will not be transferred until paid for in full.

## TERMS AND CONDITIONS

Cash or check. All cattle are to be paid for during or immediately after the sale and will not be released until proper settlement has been made. All cattle sell under the suggested terms and conditions of the American Simmental Association. View updated guidelines and conditions at [www.simmental.org](http://www.simmental.org).

## HEALTH

Cattle are vaccinated and tested for interstate shipment. Sexed semen is not 100% accurate, therefore the gender of resulting calves cannot be guaranteed.

## EPDS

The EPDs reported in this catalog are the fall 2017 numbers, as reported by the respective breed associations.

## LIABILITY

Persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assume liability, legal or otherwise, for any accidents or loss of property. Classic Sales is only an agent for the seller and has no responsibilities other than those involved in conducting the sale.

## ANNOUNCEMENTS

Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending the sale attends at his or her own risk; consignors or Classic Sales will not be responsible for any personal injury or loss while attending the sale.

## ONLINE BIDDING & SALE BROADCAST

Can't make the sale? Bid from home with Cowbuyer.com's real-time internet bidding service! Follow the steps below to view and bid online in real time:

- Registration is required. Please register at least one hour prior to sale time at [www.cowbuyer.com](http://www.cowbuyer.com).
- High-speed internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within ten days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site, or for bidders.
- For iPad, iPhone, or Android users be sure to download the COWBUYER App to utilize mobile bidding.

For questions or information, contact:  
Aaron Ray Tompkins at 336-363-4639 or  
[atompkin@vt.edu](mailto:atompkin@vt.edu).

The Pennsylvania Fall Classic Simmental Sale is one of the oldest continuous Simmental consignment sales in the country. Many of our exhibitors and buyers have attended this sale for years. Join us as we bring together one of our largest offerings of top Simmental and Sim-Influence genetics. The photographs throughout this catalog span sales from recent years past.

Consignor: Pine Creek Show Cattle

I can't say enough good things about my "Ohio" cow, as we call her. No matter what we breed her to, she lays down and has a barn burner. Her first calf fetched \$5,500 at NAILE, with her next calf topping this sale at \$8,000 to SVJ Farm and being successfully campaigned and crowned champion purebred bull at the Ohio State Fair. To date, "Ohio" has exceeded \$25,000 in natural calf sales. We flushed her this spring and she gave us 17 number ones her first time up to bat. This cow is perfect in design and awesome in the front portion of her body. Big-bellied, big-legged, and flawless in her movement and angle to her pasterns. Really youthful in her look and great in her udder and teat structure. Don't miss out on what should be blaze-faced calves sired by the immortal Broker.

**Recip is a 2012 Angus cow carrying her third consecutive embryo.** The Sazerac family needs no introduction in the Simmental breed, and this Built Right daughter might be the best. We were given the opportunity to purchase these exciting genetics from Sloup Simmentals in Nebraska, and the only reason this mating is for sale is due to the exceptional conception rate on the embryos. Combining the recent \$400,000 dollar record-selling Loaded Up bull and the long-stemmed success of high selling daughters from T99 makes this mating destined to be something special. This rare mating being offered on sale day will be one of the first of this combo to enter the breed. Fenton Farms has recently sold two pregnancies from T99 for an average of \$7,000 going to two respectful programs in the industry. Nick Sloup says "This mating WILL work!" Buy with confidence.

This special female has incredible calving ease out of our donor cow, Y103 from John Sweeney of Iowa. This Sweeney was their leading show heifer in 2011. This donor cow carries a 140 API. Her calf out of our D&D High Mark bull does it all. She is kid broke and has the personality, style and look for the next great show heifer. Check out her genetics, she could bring your herd to the next level.

Exciting opportunity to purchase a flushmate to a \$16,000 high-selling heifer at the NWSS that Jamie Campbell purchased for his program. This young show heifer prospect not only has added chrome and eye-appeal, but is a powerhouse from all angles. She is true from the ground-up carrying extra bone work and foot size to give that added broody aspect that every good female needs. This young female's dam has exceeded over \$200,000 in progeny and embryo sales in her short career. Buy into proven genetics and proven cow families, and let this female go to work in your program as a show heifer and a future donor. This is a can't miss opportunity.

**PE'd 5-1 through 8-24-17 to SVJ Oscar D728.** This 3/4 SimAngus has it all! The look style and depth of body. The SVJ Rogue bulls' calves have been selling at a premium. The Burn It Up and Silversmith genetics are some fo the best in the breed. Silversmith was surpreme champion bull at the Keystone International over 21 breeds. She is bred to our calving ease sire D728 who goes back to our 2013 Reserve Champion female at the National Western. She can produce the next great one club calf or breeding stock. Check her out on sale day.

**Consignor: Powell's Valley Simmental**

**Due 2-24-18 to J Bar J Nightride 225Z.** This heifer is the result of bringing together two amazing cows -- Shawnee Miss 770P on the top side, and B80 on the bottom side. Remember that B80 is the matriarch of the cow family the produced Broker, Miley Cottontail, and many other breed greats! Dulce's sire, WLE Uno Mas, is a breed leader for calving ease, docility, and API. As her name says, she is "One More Sweet", and can be handled by anyone. You can show her at Farm Show, and after she calves with her outstanding Nightride calf, put her in your donor pen -- that is what we would do if we were keeping her!

**PE'd 5-1 through 9-15-17 to SVJ Oscar D728.** Here is another powerful female! The dam of this bred is a One Eyed Jack and out of our donor SVJ Lizzies Lady W4, who was Grand Champion at Keystone and American Royal. Elza is bred to our calving ease sire D728 out of the dam of SVJ Princess, Reserve Champion female at Denver. This 3/4 blood SimAngus can be used in the club calf business as well as the purebred industry.

LOT  
**54**

**Bred to W/C Bullseye 3046A (2790164).** Here's a really high quality solid red Rimrock daughter due Mar. 1 to the popular Bullseye bull. She goes back to Rags' awesome T26 Burn Right cow on the top side with her dam being a result of some eggs I purchased in this sale a few years back. A very complete type of a female. Great in her makeup, nice through her shoulder and neck, good at the ground and plenty of rib shape and dimension to be that front pasture kind. An exceptional cow prospect with her genetics type and kind, and after laying down and having a nice baldy Bullseye calf she just might find her way to the donor pen!

**LOT 74A: Heifer calf born 9-3-17 out of IRCC All Right.** The Burn Baby Burn line needs no introduction and here is a granddaughter of the beast herself. Out of my Dream On X Burn Baby cow, "Ohio", that has been a never-miss and the great A Step Up bull. This young two year old comes to you in her working clothes due Sept 2 with a confirmed heifer calf sired by the "All Right" bull. She was shown a bunch in the Northeast and hung some banners. She was complemented on her flawless bone and joint make up and her soundness, being super long and extended while maintaining a great rib shape and awesome hip design. Here's a great opportunity on a young cow just starting in her earning years with a great family behind her. Hoping to have her bred back by sale time to "On the Mark".

**Bred 5/20/2017 to HOC Broker (2531081). PE'd 6/29 to 8/1 to Crum After Spread 689D (3285305).** I'm selling this super-clean, super-soggy, blaze-faced, moderate-framed cow simply because I'm not utilizing her to her potential; so it's time to give someone else a chance. She belongs in a clubby operation. Her dam was Kyle Brinkman's AJSA show heifer and has Dream On & Meyer 734 on the sire side. She was AI bred to HOC Broker (#2531081) for an early-March calf. Preview this combination by checking out her calf in this sale -- CRUM Misty Broker 706E.

This is a weaned, black blaze-faced, clean, stout-but-feminine showy open heifer with nice hair. View her dam's listing above (CRUM Boyz BWF Misty 19Y) and everyone knows the success HOC Broker heifers in the ring. It's hard to come up with a better combination. Anticipate her being a great front-pasture cow after she leaves the ring.

**Consignor: Justin Mills**

Red Warning! This bull has what it takes to move your herd to the next level. Be ahead of the game with this first generation Blaze of Glory son. His daddy has gained a ton of attention on the show road and his calves are sure to gain lots of attention in your fields. Starting from the ground up this guy stands on a big foot suited to carry a big square hip and great top. His smooth shoulder leads into a zip front which is sure to clean up any cow. A beautiful white face will carry on the tradition of blazes and baldies which have become sought after in the Simmental breed. If his pedigree doesn't say it all, just look at the picture. 'Ricky' may be young and on a first calf heifer, but make sure you don't over look this one on sale day!

**Consignor: Palmer Cattle Co**

If you need a bull to take your calf crop to the next level 616D is the one for you. He has done nothing but impress us since he was born. He is big bodied, soft made and sound when put in motion. We could go on for hours about his dam. She has done nothing but good things for us in the past 5 years. Don't miss your chance on this offer, for most of hers are sold off the farm before we get them in a sale. Halter broke and easily manageable.

**Consignor: Hillcrest Farm**

Here's a unique opportunity, a bull out of the highly sought after Steel Force who has sired many bulls in sire catalogs today, as well as had daughters that dominated the show ring and now dominate the donor pen. Pair that with, Bramlets Pride T700 on the bottom side and you have an unstoppable mating. She also was a champion in the ring, made up of a powerhouse package of genetics and phenotype. Titanium Force is a wide topped, deep ribbed and thick made bull. Masculine in his feature, with structural correctness that will excel in any breeding operation. Don't overlook this opportunity to purchase a herd sire for your operation that is packed with powerful genetics and backed by phenotype to prove it. Hillcrest Farm is BQA certified and BVD tested negative.

### Consignor: Megivern Simmental Angus

We can't say enough about this bull's personality and looks. He has been easy to be around since halter breaking. He was been shown successfully, for the past two years, by a 12-year-old boy. Cassius spent this summer out in the pasture before being shown in August. He is built right and will pass his rib and correctness on to his calves. He is out of a great uddered Grandmaster cow. His maternal sib sells as lot 6.
