SALE REGISTRATION AND PAYMENT

All buyer numbers will only be issued with a valid ID and payment is due day of sale. Cattle will not be transferred until paid in full.

TERMS AND CONDITIONS

Cash or check. All cattle are to be paid for during or immediately after the sale and will not be released until proper settlement had been made. All cattle sell under the suggested terms and conditions of the American Simmental Association. View update guidelines and conditions at www.simmental.org.

ANNOUNCEMENTS

Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending the sale attends at his or her own risk. Consignors or Classic Sales will not be responsible for personal injury or loss while attending the sale.

HEALTH

Cattle are vaccinated and tested for interstate shipment. Sexed semen is not 100% accurate, therefore the gender of resulting calves cannot be guaranteed.

EPDS

The EPDs reported in this catalog are the fall 2017 numbers, as reported by the respective breed associations.

LIABILITY

Persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assume liability, legal or otherwise, for any accidents or loss of property. Classic Sales is only an agent for the seller and has no responsibilities other than those involved in conducting the sale.

ONLINE BIDDING & SALE BROADCAST

Can't make the sale? Bid from home with Cowbuyer.com's "real-time" internet bidding service! Follow the step below to view and bid online in real time:

- Registration is required. Please register at least one hour prior to sale time at www.cowbuyer.com.
- High speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within ten days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, Internet connection at the sale site or for bidders.
- For iPad, iPhone or Android users be sure to download the COWBUYER App to utilize mobile bidding.

For questions or information, contact:
Aaron Ray Tompkins at 336-363-4639 or atompkin@vt.edu.

BIG K LADY HIGHPRIME0194

Selling 3. Opportunity is knocking! Here is an opportunity to purchase embryos from our Sim-Angus Navigator daughter that we purchased from the Hudson Pines Living Legacy V sale. Chan Phillips described Lady Prime as a female with tremendous structure under all four corners, long sided with loads of internal dimension while staying complete and balanced in her type and kind. She was named the NAILE Division VI Champion Heifer just six weeks after having a calf. She was also named the Denver 2010 Senior Calf Champion. Lady Prime is an extremely impressive looking female with tons of thickness, perfect udder and super cool front end. Her mating to Shock Force should produce elite Simmental genetics with tremendous show ring appeal, power and dynamic phenotype. Take advantage of this elite opportunity to add to your program.

SimAngus heifer that has the pedigree for success. Bottomline was the Champion Simmental Bull at the American Royal and NAILE. The dam, Double C Rosebud 1501, was a class winner at the National Junior Angus Show and Reserve Bred and Owned Champion at the KILE and MAJAC show. This calf is young, but has all the pieces to be great!

This young show heifer is out of a sure-fire cow. Her dam, Kitty, was purchased from Jones' Show cattle in Ohio. Kitty has generated over \$40,000 in progeny sales in her short career for us. Ms. Catwoman is a moderate, big middled, stout, and good fronted 1/2 blood female that would be a good addition to any show string or cowherd. Be sure to study the amount of natural mass and added bone in this female. Breed this one Simmi or Club Calf and reap the benefits for years to come. Ms Catwoman can also be dual registered 25% Mainetainer.

WINSLOW LOADED BEAUTY

What an opportunity available here. Show heifer deluxe! These Loaded Up daughters (March and April) are blazed face, fancy made, good haired, super sound, with worlds of potential ahead of them. Their donor dam, now working for Sloup Simmentals, has sure made a name for herself in the industry. Nick Sloup is very high on the full sib flushmates to these girls in his pasture. A full sib pregnancy of this mating was sold in 2017 PA Fall Classic Sale for \$3900 to the Cliff Linder Family that was recently named Champion Simmental at the Stark County Fair, Ohio. These two heifers are sure to follow in her footsteps to the backdrop. Juniors remember, Eastern Regionals are in WV this year and Nationals are in KY. Let these heifers demand some attention in the shavings!

This is one of my favorite heifers born at our place this year. Her mother, bred by Chris Brown and family, was a very successful show heifer for us in 2017 which included 5th Overall Heifer at the Somerset Fall Jackpot, Champion Sim% at PA Cattleman's Jackpot, and many time class winner. Not only does this heifer have the show ring look; she's in the top 30% API of the breed and many generations of calving ease in her pedigree. My wife says I can't keep them all, so let our loss be your gain. This 3/4 blood, March heifer is very long-spined, up headed, with a "big time" swoop to her middle. Kid broke to boot! Buy with confidence!

This blaze faced, black heifer will impress you when you see her in person. She is easy keeping, has an exceptional disposition, with a great deal of eye appeal. She is the kind you would like to have a pasture full of. She comes from a background of proven genetics out of one of the best red cows in the breed. The soundness, and stunning look that her dam (HPF/RYAN Perfection Z153) transmits to her offspring make them easy to market. We are excited to offer this exceptional heifer sired by the late JF Milestone 999W with a great combination of blaze face, style, foot size, body capacity and phenotype. Take advantage of this opportunity to add some elite genetics to your breeding program.

Due 3/6/2019 to KLER Kingsman 601D (#3125337). Elvira was the first W/C Loaded Up heifer calf that was born from a flush to our red donor cow, HPF Miss D Rae Y042. Y042 combines the Perfection R521 and Desa Rae cow families, and has continued to produce solid cow prospects that have also stood out in the show ring. Elvira carries the extra capacity and muscle shape of her mother, and combines that with the style of Loaded Up to create an attractive brood cow prospect. She is due in early March to the calving ease SimAngus bull, KLER Kingsman, which should help to pay early dividends for Elvira's next owner. BVD-PI Negative.

Due 4/10/2019 to KLER Kingsman 601D (#3125337). All Right is a beautiful blaze faced heifer with a big future. Bred to Kingsman this heifer is out of an outstanding Fatt Butt cow and is going to be the front pasture kind. Long in her design, great extension, a big rib cage and mid section and massive in her make up, we hate to part with this one.

Due 1/22/19 to SSC Shell Shocked 44B (#2880060). Here is a solid black young cow in the prime of her life that we probably should be keeping and flushing but because of lack of recipis our loss can be your gain. Her name fits her perfect "Up and Coming". Her last two calves have been the first to be picked out and sold right off the farm for top dollar. She had a flushmate sister that was a top selling female at the 2014 Gettysburg Stars and Stripes sale at \$9300 to Ste-Wan farms. She is a top cow in their program. Up and Coming had a flushmate brother that was the top indexing Simmental bull at the 2015 PA Performance tested bull sale. Which leads me right into the bull calf at her side this year. He is quite a stud to say the least. This baldy bull is as stout made and eye appealing as you would want. He could sure show but most importantly he will sire calves that are pounds heavy with that extra eye appeal to make them very marketable. And to round out this Tremendous cow calf package, Up and Coming is safe in calf to the eye appealing and extremely calving ease, SSC Shell Shocked 44B.

Due 3/13/19 to TLLC One Eyed Jack (#2668223). Lazy H Fantasy is a granddaughter of the SVF Sheza Fantasy N906 cow that has produced many top producing females in the Simmental breed. A07 has produced a number of good quality heifer calves that typically combine style with adequate muscling and performance. She sells bred to One Eyed Jack.

SNRS Ms Fantasy 07F is a May born W/C Relentless heifer calf. She continues her mom's tradition of combining that feminine style that we all look for in our females, with plenty of capacity and natural muscling. Show heifer potential. BVD-PI Negative.

Tequila is a dark red bull calf out of a Game On heifer. His granddam is out of the Hudson Pines herd, HPF Desa Rae. I bought his mother from Simme Valley as a bred heifer and was really pleased. He is sired by the red Amigo bull. Tequila is mild mannered, deep ribbed, and easy going. He was broke to lead on his first day without any trouble.

We wanted to bring you a bull that was ready to go to work this fall. Hot Spot is ready. He is out of a cow we bought from Powell Valley that we love for her ability to raise a standout calf. This bull is square made and well balanced. He is full of meat and muscle. Coming from the Burn Baby Burn cow family on his top side made him even better. Check him out if you need a bull. Homozygous black and semen tested.

SVJ Terrain, nicknamed All Terrain, can be used in many different ways in the cattle industry. This baldy has the look and style to produce club calves and give hybrid vigor on purebred cattle. Primary candidate was Grand Champion Sim-Angus bull at the North American, American Royal, and the National Western. He is the only Triple Crown Champion in the Sim-Angus breed. Be on the leading edge of genetics and give this bull a good look!
