I have argued with myself for weeks about selling this heifer. I have 3 other siblings at home or this girl wouldn't be going anywhere. She is out of the well know Yardley Utah bull who has made quite a name in and out of the show ring for producing big topped functional cattle and Kiss Me is sure to be one of those. This heifer will make someone a great show prospect and then be able to go on to make a donor in the cow pen. Her unique face markings, super clean front end, and big top is what catches your attention. Don't miss out on this opportunity.
