This pregnancy is due to calve Jan 21, 2020, a sexed female pregnancy. No guesswork needed for this proven and potential mating. Baby Opal, as we call her, is out of the HPF Chyna W318, and she is how one defines the word cow. Powerful on paper and in person, easy keeping, and all combined with a sweet disposition. Full sister to this mating was 6th overall as a 4 month old at the 2018 AJSA Eastern Regional, Champion prospect heifer at the Big E, and many class winners all over the northeast. CAJS Blaze of Glory, the blaze faced bull that won the 2015 NAILE, owned by Matt Lautner, has had over 75 offspring sold in online sales since 2016. Don't miss out on this genetic package. Recipient cow is a 6 year old SimAngus.

She is extra stout, soggy-bellied, long-spined, correct in her foot and bone shape, great in her joints and just flat good! Her dam is a tremendous cow and a favorite here. Tons of eye appeal, added bone mass, great pattern, and easy doing tell the tale of Phantasia.

Miss Glory is an attractive, young, April PB heifer that is very complete. She is big middled, soft made, and great structured. She combines an excellent phenotype with a good EPD profile. Her sire, Cowboy Poker, works for Lundy Farms in KY and is in the top 3% for API (155) within the breed. Her dam, First Kiss, is a half sib to Campbell Land and Cattle \$16,000 selection out of the NWSS from the Mueller/Barberg programs in Minnesota. Miss Glory is one not to miss on sale day. This one will yield large returns for the new owner.

This is one of my favorite heifers born at our place this year. Executive Gem has all the right parts to be a very successful show heifer at an elite level. She is sired by the very popular Executive Order that has been so successful for the Werning program. Her Lookout sired dam has been a sure-fire cow for us that's been producing profitable progeny year after year. My wife says I can't keep them all, so let our loss be your gain. This 5/8 blood, March heifer is very long-spined, up headed, with a "big time" swoop to her middle. Juniors pay attention here. Kid broke to boot! Buy with confidence!

Her pedigree is as good as it gets, but this beautiful girl deserves your attention on her own merit. She starts with a wide hip and deep flank, long spine and bold sprung rib cage, then ties in a smooth front shoulder and long neck, and carries that beautiful frame with a sound set of feet and legs. Due 3/12/20 to SSC Shell Shocked 44B (2880060). Bailey is another daughter of our famous Beauty donor who has left her mark in our herd and many others. Be on the look out for Bailey to leave a mark of her own in her lucky new owners herd. We've not had many calves by Wide Track but we really like this star faced female. Bailey has all the right parts, nice fronted good middled and hipped and good on her feet and legs. Here is a bred female you will be able to take home and will make you money. She is bred to the calving ease deluxe, SSC Shell Shocked. You'll be able to sleep at night with her bred to him and will likely have a baldy calf in the spring.

Due 11/15/19 with IVF heifer embryo W/C Relentless x WELSH'S ELEGANCE 144Y (3063335). For our first ever PA Fall Classic consignment we wanted to offer something truly unique and we certainly have! We have a really stout pair of ET sisters sired by MCM Top Grade out of the Tylertown Simmental donor Welsh's Elegance144Y. Full sisters have topped the Family Matters sale for \$7,500 and the Tennessee Agribition for \$6,000. They are from the famed SVF/NJC Senerita cow family and have serious power in the blood as well as fantastic numbers across the board including top 10% API and top 15% TI and Milk. These girls are extremely deep and bold sprung in their rib cage and lower third, have wide rear ends, sound feet and legs, and smooth front shoulders. They are peas in a pod and the easy keeping kind! As an added bonus both heifers are carrying sexed heifer pregnancies out of our top donor BGCC TESS, she's out of the famed JF Crystal line and sired by W/C Relentless due right after sale time, so you won't have to wait long to make money with these girls. One of our Crystals from an embryo purchase by Brant Farms sold for \$7,500 to Wheatland Cattle of Canada and is entering their donor program. Truly a unique money making opportunity! Both heifers are due Nov. 15 with an IVF heifer embryo W/C Relentless x BGCC TESS ASA#(3063335) These two girls have been strictly running on pasture all summer, no grain whatsoever.

Here is a young cow that has the prime of her productive life ahead of her. She is a daughter of the Alley cow that topped the Hudson Pines Dispersal, who has produced many top females in our bred. With a decision to focus on two of our current donor cows, we have decided to offer this young cow in this sale. She is due to calve to Relentless in early September, which should produce a promising cow/calf pair for your appraisal on sale day. BVD-PI negative.

This cow I purchased from a good friend of mine and he guaranteed she would be a tremendous cow. With her calf sales to date totaling over 35K I'd say he was right. In Dew time daughter have stood the test of time and Lady Bug Fits the mold. Easy keeping, easy calving, good milking, soft made, athletic, youthful, and great natured. She's raising another really nice IRCC ALL RIGHT heifer calf that is soggy, stout, great structured and a sure fire show heifer.

An opportunity like this doesn't come along very often. Great Gatsby has been special since the day he hit the ground. He is a flushmate to the very popular sisters in last year's sale that sold for combined \$9600 to Harvey King of Clymer, NY. This young baldy bull possesses tremendous power and muscle shape, while combining that with the show-ring look. His dam, T99, needs no introduction in the industry with a very productive and profitable career currently working for Sloup Simmentals in Nebraska. W/C Loaded Up has proven time and time again to sire what the industry desires in sons and daughters. Notable sons include Bankroll, County -O, On the Mark, and the list goes on. Great Gatsby has a bright future ahead of him and "who knows," he might follow in the foot-steps of fellow sons. Add him to your herd to sire the next great ones or show him on the tanbark. Either way, make sure your hand is up on sale day.

A really rugged, cowman's kind of bull. We love the extra density, and muscle shape this guy carries, while still being so genuine in his structure. Huge footed and flexible and just plain athletic. I'd suspect this bull would be a perfect fit for a set of British based cows to make heavy weight feeder cattle, and a handy set of replacement females. Look in! His maternal sister was a division winner at the Ohio State Fair for the Andrews family. Banker can also be registered 25% Maintainer at the buyers request.

Stryker is one of the few Ironhide bulls we have had and he does not disappoint. He is big topped, big footed, and structurally sound as they come. His momma consistently produces baldy calves no matter what we breed her to. I would expect Stryker to do the same. His easy fleshing ability and libido should make him an excellent choice for a herd bull.

Named after my IRCC ALL Right Bull he is the first blazed bull that I have offered for sale sired by "Chief" and I think he is a good one. Out of the Dream Baby Dream Cow who was also the dam of the \$8K Burning Fatt bull that topped this sale a few years ago. He is long bodied, good and square and really sound moving. He has a great neck and shoulder juncture, high and smooth. He will make a great calving ease bull and sire you calves with the extra look, balance, and quality. Put up extra feed, he's backed by the best and you're gonna want to keep all of his heifer calves.

Innovation is a bull that I thought hard about selling but we want to offer our best so here he is. He is backed by the most consistent cow family we have, Khloe. This bull is built like a truck, big footed, sound as they come and all kinds of depth and width. He has just been running on a pasture all summer and just got him in the barn. Take this bull home and let him go to work you wont be disappointed!
