SALE REGISTRATION AND PAYMENT

All buyer numbers will only be issued with a valid ID and
payment is due day of sale. Cattle will not be transferred
until paid in full.

TERMS AND CONDITIONS

Cash or check. All cattle are to be paid for during or immediately after the sale and will not be released until proper settlement had been made. All cattle sell under the suggested terms and conditions of the American Simmental Association. View update guidelines and conditions at www.simmental.org.

ANNOUNCEMENTS

Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale.

HEALTH

Cattle are vaccinated and tested for interstate shipment. Sexed semen is not 100% accurate, therefore the gender of resulting calves cannot be guaranteed.

EPDS

The EPDs reported in this catalog are the fall 2020 numbers, as reported by the respective breed associations.

LIABILITY

Persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assumes liability, legal or otherwise, for any accidents, loss of property, or illness. Classic Sales is only an agent for the seller and has no responsibilities other than those involved in the sale.

This sale will be broadcast live on the internet.

GAMBLES HOT ROD
SILVEIRAS STYLE 9303
SILVEIRAS ELBA 2520

JASS/JS OPTIMIZER 58X
CHEROKEE STEEL LADY
LAZY H FAITH Y500

Due 2/17/22. Recip: 3-year-old red and white commercial cow.

We honestly wanted to offer our best for this sale, and this opportunity is from the heart of our herd. We partnered with Hillcrest Farms on one of the most incredible young females (HFSC Foxy Lady) to walk the east coast in 2019, and when I discovered they were selling a flush on her mother, I knew I had to get in on the chance to make more just like her. HFSC Foxy Lady was named breed champion and/or supreme champion over 15 times in 7 different states during her show career. WELL, after all the dust settled, it worked, and we are here to offer one of these once-in-a-lifetime matings to YOU! Not only did Foxy Lady dominate the show ring, but her initial calf crop is some of our best and most sought after. Buy with confidence!

BEAUTY

3 MF MS BUILT RIGHT U553 "BEAUTY"

Pregnancy consigned by Stewart's Simmental Cattle

W/C RELENTLESS 32C
JSUL SOMETHING ABOUT MARY 8421
JBSF PROUD MARY

SVF/NJC BUILT RIGHT N48
MF MS BUILT RIGHT U553 "BEAUTY"
MF MS CROSSFIRE R253

Recip: 5yr old Registered Angus

Beauty has knocked it out of the park time and time again with many different sires. So the mating to the extremely popular Something About Mary "SAM" bull was a no brainer. Beauty has produced many show winners at the PA Farm Show, Beef Expo and others. SAM is already producing winners himself. These embryos are hot off the press as this will be the first calf from this mating. This heifer calf pregnancy could potentially be Beauty's best calf yet. Both parents are Hetrozygous black so there is potential for a red hot red baldy heifer. To add to the value of this pregnancy the recip is a 5 yr old registered Angus cow in the prime of her life. Here is a genetic opportunity to potentially build your herd around. Due 4/10/2022

W/C BET ON RED 481H
W/C ANGEL 7113E

REMINGTON LOCK N LOAD54U
STCC BASES LOADED 5177
STF NOSTALGIA 155Z

Unsexed pregnancy due February 15. Recip is a 4-year-old red-and-white commercial cow.

"Lola" has the ability to produce both exceptional quality heifers and bulls, which is why we decided to flush her to W/C Bet on Red with non-sorted semen. She has proven this ability with her daughters averaging in excess of \$6000, and a Relentless son being Top Indexing Simmental Bull at the 2020 Penn State Bull Test. This mating to the new \$192,000 W/C Bet on Red from Griswold's is a sure-fire home run, with an almost certainty of a red baldy calf. Whether creating your next show heifer or donor, or your next great herdsire, be sure you are the one making this decision. Buy with confidence and be sure to get ahold of us when this calf hits the ground!

FROM LEFT: BROKER, COUNTY O, QUANTUM LEAP, SOMETHING ABOUT MARY

4B CHOICE OF LOLA EMBRYOS

Embryos consigned by **Full Circle Farm**

Selling one set of three Lola embryos out of choice of bulls:
Unsexed Bet on Red (Full Sibs to Pregnancy)
Sexed Female Broker (Full sibs to last years high seller)
Sexed Female County O
Sexed Female Quantum Leap
Sexed Female Something About Mary

We have opened up a large selection of our embryo inventory for you to choose you favorite mating on this beautiful red female who seems to never “miss” with any bull we choose. If you are familiar with our program, you will surely be aware of “Lola” who is beginning to make a big mark in our program. She stems from a very successful pedigree and did quite a bit of winning herself with division honors at NAILE, KILE and PA Farm Show, as well as countless jackpot breed champions. The Broker mating will be full sibs to last year’s feature heifer in this sale, the Bet on Red mating will be full sibs to the pregnancy offered in this sale, the Quantum Leap mating is the arguably the most popular bull in the breed right now, and the Something About Mary and County O matings are the industry’s leading new sires that are demanding a lot of attention. Guarantee 1 pregnancy if completed by certified embryologist. All matings are sexed female except for the Bet on Red.

Stay 11.1 Marb 0.3 REA 0.7 API 113 TI 71.4

This late March SimAngus female is exactly what I had in mind when we mated our top purebred donor to Griswold’s featured Angus sire Sandman. Grit Girl is flat shouldered and extended up through her front 1/3, yet powerful and rugged. She is fancy made, big middled, super sound, with worlds of potential ahead of her. Her donor dam “Lola” is consistently stamping them out for our program, with one of those daughters being a sale feature in last year’s Fall Classic demanding \$6700 to Cassyle Valley. She also was the dam of the top Indexing Simmental bull at the 2020 PA Bull Test. We feel very confident in the show ring ability of this young gal, but her cow potential will be endless. Bid with confidence and kid broke! Please contact us with any questions.

A really nice solid red April daughter out of our herdsire. Her Relentless sire is so impressive that I cant express how excited I am about him and his calves. Check with us and online for pics and videos of this stud! Lady herself is one that screams quality. She has tremendous muscle shape and pattern. Shes great thru her mid section, all the peices are right and set into motion she excells. Great hair, feet and bone, loads of performance and one that will make a great show heifer and an even better cow. Her cow family goes back for generations in my Dads herd and have been top cows for years! Kid broke and ready to show!

This young PVF Surveillance daughter is ready for a showman of any age as the picture shows. She is a product of a tremendous first calf heifer from the Dr. Dave Faber and Trevor Roche programs in Iowa that puts together some of the best pedigrees in the country. She is deep sided, flat shouldered, and easy fleshing. She combines good angles, dimension, and hair with an awesome disposition to put together a complete package. Put this girl to work in the show ring or the pasture, you will not be disappointed either way.

This solid red March heifer calf is one that I shouldn't be selling. I have a soft spot for a "GOOD" red one, and this girl is just that. Only because this young female is a product of one of our best first-calf heifers, we are offering her in the sale because I hope her mother will continue to make more just like her. She is long bodied, extended, feminine, and has "brood-cow" written all over her. The Uno Mas daughter stems from a great cow family for us, and her granddam (Classic Ms. Style) has produced many top sellers for our program including a Relentless daughter for \$5500 last year.

Excellent 50% Simmental heifer out of my #72 Foundation cow. I believe folks will fall in love with this heifer. She is long bodied, very feminine, and a splash of white across the top of her forehead. Her mom had twins this year, and we are keeping the other twin heifer in the herd. The twins will have a combined weaning weight over 1,200 pounds. Great cow family.

Stay 12.5 Marb 0.13 REA 0.66 API 103.7 TI 64.1

Due 3/19/22 to THSF Lover Boy B33 (#2983443). When we decided to flush our HPF/PCCC Butterfly 416E donor to a maintainer bull, we picked MINN Hybrid due to his stylish design and his pedigree that combines the standout Silveiras Style Angus bull with the Katie cow that has had long term success in the Maine breed. This was the first calf to hit the ground out of that mating and she has been a standout from day one. She is attractive from the profile, feminine fronted, deep bodied, and sound when put in motion. Bred to THSF Lover Boy on 6/10/2021. The mating to this bull should produce dividends for the new owner. BVD-PI negative.

Due 3/26/22 to THSF LOVER BOY B33 (#2983443). Cow power mixed with style, this Sim-Angus bred heifer is out of the Silveiras Style, an Angus bull that needs no introduction, and our top donor cow, Heges Zahra. What more can you say but influential genetics to anyone's herd. She is feminine, big footed, fluid on her feet, long spined and long necked. Her family is very maternal and her other ET full sibs are great moms. She is bred to the proven calving ease bull THSF Lover Boy B33, due March 26, 2022. Hillcrest Farm is BQA certified, female is BVD test negative.

Due 3/29/22 to WHF Double Up (#3658592). The decision to consign Harlee 18H was taken very seriously. This female has had a striking presence since day one. The mating of the calving ease Innovator to our Donor Dandi 6D has proven to be exciting. The ET progeny for us and our clients have been very rewarding. These cattle not only have outstanding numbers but have the looks to back them up. Harlee is a stout boned, long bodied, very feminine heifer with a great disposition and very smooth in her makeup. Her pedigree is hard to fault with many past and current breed leaders represented. Then on to the next generation, she sells bred to WHF Double Up due on 3/29/22. Once again you will find cow power through his dam WHF Summer. Build a solid foundation with the addition of Harlee 18H. OCV, BVD-PI neg., BQA certified.

Pasture exposed 5/28/21 to 8/1/21 to ERV RF 401K (#3763439). This Utah daughter has been a great cow for us! She is big bodied, square hipped and clean fronted, with a great disposition. We would all like a pasture full like her, but our loss is your gain. Classic Taylor is selling bred to our exciting herd bull ERV RF 401K, he is a red baldy bull by County O.

Fertility not a joke for this cow. Her calf by side was born 304 days after her last one. She is a well-proportioned clean cow that produces quality calves, then milks well. Just look at her heifer calf by side. It's square, thick and showy with good hair and size. She is due early April to deep & growthy bull Upgrade # (2474338) -- she cycled twice before we bred her. Veterinary ultrasound indicates AI heifer calf.

Just like the weather report, one can only anticipate how much of a positive impact a bull will have on the herd. Many breeders are hot on the chase for a flashy red bull with striking phenotype and genotype. If you are too, Lightning should be on your radar! His Momma is turning up the heat in our herd by producing a standout every year. Just ask the Judy's, of Heritage Hill Farm: they selected a maternal sister earlier this year and she is a blazing hot combination of beauty and power. Lightning's sire is a full brother to the great Bankroll and these genetics are on fire! Pay attention here: the forecast is calling for Lightning!
